

Solving the BSO Mystery Checklist

3 Critical Moves:

- 1) Know your residents well
- 2) Use the strategies in the behavioural care plan for your residents.
- 3) Take part in team huddles

Notes about your Role:

What do you commit to?

- Remember I have a role to play in preventing & managing responsive behaviours
- Remind myself that by taking short cuts, it will likely waste more time
- Watch and listen better so I get to know my residents well
- Speak up at team huddles
- Read care plans carefully and regularly
- Follow care plan strategies
- If I'm not sure what to do ask my team and tap into the expertise of the BSO staff
